OFFICE OF THE DEPUTY COMMISSIONER,
Bangalore District,
Dated, Bangalore, the 28th March 1 9 4 7

REVIEW on the statements of Demand, Collection and Balance of Several Minor and Town municipalities in Bangalore District for the quarter ending 31-12-1946

Recorded with the following observations -

The statements were due on 5-1-47 but none of the Presidents submitted the same on the due date Such delays should be avoided in future

ASSESSED TAXES

The total demand including arrears under the head "Assessed Taxes" was Rs.1,34,878-2-9 A sum of Rs 17,320-15-7 was collected during the quarter under review and this works out approximately to 7 78%

The arrears are very heavy in most of the municipalities they are allowed to swell in Closepet, Vadigenahalli and Nelamangala municipalities The arrears continue to be heavy in all the municipalities except Yelahanka It is highly regretable to note that no tangible progress has been achieved in the reduction of the heavy arrears, particularly in Channapatna though there is a chief officer The Presidents are requested to take every necessary step for the recovery of the heavy arrears and show better progress during the currert and the ensuing months Particularly the president, Channapatna Municipality should warn the Chief Officer, that if he does not reduce the arrears during the current quarter, he will be reported against to Government

OCTROI AND MISCELLANEOUS

Heavy amounts are outstanding under this head in Channapatna, Hoskote and Sarjapur municipalities also and the Presidents are requested to cause the collection of the entire arrears atleast by the end of the current year
